

WIA OLDER AND YOUNGER YOUTH: QUIZ TIME! ANSWERS

Work with a partner to answer these questions as quickly as you can. The first pair to complete the quiz correctly gets a prize!

1. How many Older Youth measures are there? **Four (4)**

Entered Employment

Employment Retention Rate

Earnings Change

Credential Attainment

2. How many Younger Youth measures are there? **Three (3)**

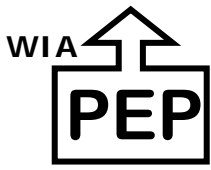

3. Name the Younger Youth measures:

Skill Attainment

Diploma Attainment

Placement and Retention

4. For Older Youth Entered Employment Rate, what do youth have to do to get a positive outcome? ***Be employed or have earnings the first quarter after exit. (Note: If a youth is enrolled in post-secondary or advanced training in the first quarter after exit, and not employed, the older youth is excluded from the measure.)***
5. For Older Youth Retention Rate, in which Quarter after Exit do youth need to be employed for a positive outcome? ***Need to be employed in both the first (1st) and third (3rd) quarters after exit. (Note: If a youth is enrolled in post-secondary or advanced training in the third quarter after exit, and not employed, the older youth is excluded from the measure.)***
6. Can just one Skill Attainment Goal be set for Younger Youth? ***Yes; a younger youth must have at least one skill attainment goal set each year. You can set as many goals as you wish, but a maximum of three (3) goals will be counted toward performance per year. If the youth is basic skills deficient, at least one basic skills goal must be set.***
7. If a customer exits in January, which months make up his/her 1st Quarter after Exit?
April, May and June
8. If a customer exits in March, which months make up his/her 1st Quarter after Exit?
April, May and June
